1. All military construction in Slovenia was formerly carried out under the jurisdiction of the Military Construction Enterprise with headquarters in Ljubljana.
2. During the early part of 1950 the Enterprise was transferred to Gorazde, located along the narrow-gauge railroad track linking Ustiparce and Foca in Bosnia, for the purpose of aiding in the construction of objectives for the main center of the military industry reportedly being established in the vicinity of Gorazde.

This document is hereby regraded to
CONFIDENTIAL in accordance with the
letter of 13 October 1973 from the
Director of Central Intelligence to the
Archivist of the United States.
